Southmoreland Senior High School
Alverton, Pa.

Foreword

School means something different to everyone. For some it is a place to meet friends, for others it is strictly a place for learning, and for yet others it is something to be forgotten as quickly as possible.

Everyone, however, has many memories of school, good and bad. Now that we are Seniors, we are about to put these memories behind us and press on. We have tried in the pages of this book to preserve some of them and hope that you will come to cherish it as a symbol of high school days.

The main objective of the Future Teachers of America organization, is to give the members an opportunity to be introduced to many aspects of the teaching profession. It hoped to arouse interest in the teaching field and to provide knowledge of what to expect.

The very impressive service for chartering, installation, and induction of her members, was an incentive to serious thinking concerning the various phases of teaching. Many plans went into their special programs, such as attending lectures, workshops, hearing and participating in discussions about teaching as a career.

These were valuable stimulants to the young people to bring about a better understanding and appreciation of the teaching profession.

The Leo Club is the junior service organization of the Scottdale and East Huntingdon Township Lions Club. The main purpose of the club is to serve the local high school by cooperating with the administration and faculty in the development of students for leadership, scholastic achievement, individual responsibility, honesty and respect for others. The club also serves the community by respecting the needs and welfare of others and unites its membership in friendship, fellowship and mutual understanding.

Since the club's organization in 1964, it has provided many services to the school and community. The most outstanding of these is the sponsorship of a sophomore trophy given to the 10th grade student with the highest academic standing. The organization also maintains a pop cooler in the lunch room for the students. By keeping with the ideals of Leadership, Equality and Opportunity the Leo Club is an asset to our school system.

The Hi-Y club of Southmoreland builds its functions around one main purpose: to create, maintain and extend throughout the home, school and community high standards of Christian character. The club is a Y.M.C.A. club for high school boys. Members join the club seeking friendship, adventure, recreation and inspiration. It is the responsibility of the adult adviser to help members select goals for positive personal and group living. The members try to make their goals realistic and, at the same time, in harmony with the national Hi-Y purpose. Through their code of ethics and constitution the club operates on a four-plank platform—clean speech, clean sportsmanship, clean scholarship, and clean living.

Future plans are as follows: to join and become part of the National Hi-Y fellowship and movement: to meet weekly for a meeting followed by recreation.

Student Council

The Student Council consists of ten representatives from the sophomore, junior, and senior classes. Each spring they sponsor the memorable "Computer dance," and in the fall contribute immensely to the "Homecoming" festivities. For the occasion this year they bought and assembled a float for Southmoreland's first "Homecoming Parade". However, this was not the only new idea they contributed. The SCOTT SHOPPE, located in the basement, is open daily for students wishing to buy school supplies.
